indicating BEHRE was being dismissed by TRIPP and MOODY was now representing TRIPP. The letter was signed by TRIPP. BEHRE apparently said he needed seventy-two hours to finish typing transcripts to all the tapes,

TRIPP told GOLDBERG about her meeting with the OIC. TRIPP told GOLDBERG she was going to be "wired" to go into a lunch meeting with MONICA. After this lunch, TRIPP spoke with GOLDBERG and advised that everything went fine. After another meeting with the OIC that same week, TRIPP told GOLDBERG that the OIC said that TRIPP should not be talking to a press agent. At that point, TRIPP and GOLDBERG decided not to speak to each other.

GOLDBERG was recently contacted by TRIPP, the night before TRIPP's first grand jury appearance. TONY SNOW called GOLDBERG and said TRIPP wanted to talk to GOLDBERG. GOLDBERG advised the talk was mostly "girl-talk" and about the media. GOLDBERG has spoken to TRIPP approximately five or six times since, including the night before this interview. GOLDBERG advised that now the topic is mostly about the grand jury.

GOLDBERG advised that when she recently was quoted saying that LINDA TRIPP knew who prepared the "talking points," she was misquoted. GOLDBERG advised that she was on the show "Hardball," hosted by CHRIS MATTHEWS. Also appearing on the show was MATT DRUDGE. GOLDBERG said that she could not imagine that TRIPP does not know who prepared the talking points. When asked by MATTHEWS if she knew and if so, how she knew. When GOLDBERG did not answer, MATTHEWS filled in that GOLDBERG heard a tape. DRUDGE picked up on it and ran with the story the following day.

TRIPP gave GOLDBERG permission to say that LEWINSKY told TRIPP that CLINTON knew LEWINSKY would lie and that LEWINSKY said TRIPP should lie. Everything GOLDBERG said publicly was with the permission of TRIPP.

GOLDBERG said that TRIPP did not specifically mention tapes, except for one referring to JORDAN and the two she gave GOLDBERG. GOLDBERG assumes TRIPP was taping from October through January. GOLDBERG believes the tape referring to JORDAN was made in January.

GOLDBERG advised that she has been offered \$750,000 to sell the transcripts of the two tapes she made of conversations with TRIPP. GOLDBERG thinks all of TRIPP's tapes are worth approximately \$2 million.
